Bear Creek started its athletic season with football. The team finished in third place in the Mountain Valley League and played with a spirit typical of the Bear Creek teams.

The first game of the season was played at Castle Rock after only one week of practice. The game was hard fought from start to finish and the result was a 0 to 0 tie.

The second was at Bear Creek. The Bears were host to the Idaho Springs Goldiggers and beat them 6 to 0.

The following game was also played at Bear Creek. The Alameda team came over full of confidence and played a good game, but the Bears were too much for them. The final score stood: Bear Creek 13, Alameda 0.

The fourth league game was played at Mountair, and the Bears lost for the first time, 20 to 6.

October 3 was a bad day for the Bears. The team went into battle against Evergreen with only one of its first string backfield men in the game. This man was hurt in the second quarter and a complete second string backfield was now in the battle. The Bears lost the game to the tune of 6 to 0.

The following Friday, the Bears played the Edgewater team and beat them 13 to 7.

The return game between Castle Rock and Bear Creek at Bear Creek, was another victory for Bear Creek. Castle Rock lost, 7 to 0.

Bear Creek's next game was with its arch rival, Mountair. Mountair was sure they would win this game but the Bears won the game all the way. The final score was 7 to 0.

The following Friday Bear Creek traveled over to Alameda to play a return game. The Bears played most of the game with the second string team and beat the Alameda team 13 to 0.

The tenth game of the season was also a return game played at Idaho Springs. The Bears won, 13 to 0.

The final game was played at Edgewater. This game was to decide who went to State, either the Edgewater team or the Bears. It was a hard fought game and a hard game for the Bears to lose, but they were defeated 12 to 0. Bear Creek came in third due to the loss of this game, the loss to Exergreen, the defeat at Mountair and the tie with Castle Rock.

The Bears played 17 games and won only two of these, both of which were practice games. The teams that Bear Creek beat were Randell, and Alameda.

The Bears went to the Mt. Valley League tournament at Idaho Springs, Colorado and played all three nights. The first night they were defeated by Edgewater the second night they beat Georgetown, and the third night the Bears played Evergreen for consolation and were beaten. The Bears were in sixth place in the tournament.
